Dear Brother,
You will probably get this postcard after I am back home. Grandma says I have to write it anyway. I am glad it is my turn to go on vacation with Grandma and Grandpa. We made the trip to Los Angeles in two-and-a-half days. Grandpa stayed under the 70 miles per hour speed limit the entire trip. During the day we stopped only to eat. At night we stayed at nice hotels with swimming pools. This is our final day at Disneyland. I am having a lot of fun. Don't worry. Next year it will be your turn.

Tim
